DAAD Conference

„Internationalisation and Diversity in Higher Education: Running on Autopilot?“

09-10 February, 2023

melissajurgenstock.com

Main topics

- How can **internationalisation** in higher education and science be made **more accessible** to underrepresented groups?
- **„Leave No One Behind“** in the 2030 Agenda: How can **international cooperation** strengthen equal opportunities and diversity in higher education, science and society?
- How can diversity and internationalisation **be considered more jointly and embedded structurally** in higher education institutions and funding organisations?

Details

Target groups: higher education institutions (e.g., international offices, diversity offices), students, funding organisations, ministries, and other interested parties.

Location: virtual (probably Webex)

Language: The main conference language is German. Oral and written translation will be provided for German and English.

For more information, sign up for our mailing list until December 19th:
